IN MEMORIAM

Thursday October 11, 1984, 20 year old Arthur Rick Paul died at the San Francisco Art Institute. In this sad world of ours sorrow comes to all. It comes with bitterest agony. Perfect relief is not possible, except with time. The Students and the school wish to extend to the parents of Arthur Rick Paul their sympathies on their bereavement.

May the memory of the many acts of goodness performed by your son bring you comfort and strength at this time.
